### **ASSOCIATE POSITIONS**

ASHVILLE, NC Join a thriving and esteemed practice in the beautiful city of Asheville, NC. This practice is deeply integrated with the local community, ensuring holistic patient care. Seeking ethical, personable, dedicated professional, committed to excellence in patient care. Enjoy a competitive salary with attractive bonus opportunities and a comprehensive benefits package. This Associate Position offers a clear path to partnership. Immediate start is available for qualified candidates with a valid NC license.

DALTON, GA Join this flourishing podiatric practice in Dalton, GA (just 20 minutes from downtown Chattanooga, TN). Practice is fully ingrained with the local medical community, with an active presence in the local hospital and surgery center. Seeking passionate, committed professional to provide excellent patient care. Competitive salary with attractive bonus opportunities and a comprehensive benefit package. This position offers a clear path to partnership. Immediate start is available for qualified candidates with a valid GA license.

NORTH-EAST, GA Seeking a dedicated Associate with surgical experience to join growing practice in vibrant town, offering a supportive environment, modern facilities, and opportunities for professional growth. The ideal candidate is comfortable performing surgeries and excels in patient care. Enjoy the benefits of a competitive salary, work life balance, a lively community, and a chance to make a meaningful impact on patients lives.

## **PRACTICES FOR SALE**

ATHENS, GEORGIA Busy established practice, strong volume with a full range of services. Owner wishes to retire. Great community.

NEW YORK, NORTH SHORE LONG ISLAND Long standing multi doctor practice. Owners looking to sell and transition to retirement. Full range of services in the office. Active practice with strong patient volume and local hospital privileges. This is an opportunity to have a full service practice in a great community.

METRO ST. LOUIS Practice with three locations and options for expansion, seeking buyer. Senior doctor looking to transition and wind down. Consistent patient flow with a range of full services offered.

NYC – MANHATTAN Established practice. Owner desires to sell and transition. Opportunity to take over established patient base and ground level location. Well appointed office with consistent patient flow.

SUNNYVALE, CA Opportunity to acquire an established practice from a Board Certified Foot & Ankle Surgeon. Practice is located in one of California's most sought after communities. Fully equipped office and a stable patient volume (Medicare <20%) making it ideal for an owner operator. Significant potential for growth exists through the addition of new services and surgical procedures.

ST. LOUIS, MO Busy practice for sale or associate hire. Long standing practice with a high volume of business. Owner is looking to transition to retirement.

IRVING, TX Practice with 7 digit income and two offices. Newly appointed with a full range of services. Surgically active practice looking for opportunity to transition to new regime.

WESTERN NEW YORK Well established practice, owner is seeking to sell and transition into retirement. Office has approximately 35% of its gross collections and cash business. Practice is well positioned in the market and has the opportunity for continued growth.

SOUTHEAST FLORIDA Well established practice in a great location, owner is seeking to slow down and retire. This is a turnkey practice, part of a significant South Florida network.

NORTH CENTRAL GEORGIA Long term practice owners are looking to retire. This practice has a strong revenue stream with a loyal patient base. Owner is willing to transition.

NORTH CENTRAL OHIO Practice is located near a larger city with the opportunity to grow to a level to support two doctors.

FREDERICK, MD Established busy practice in existence for over 30 years. Owner is seeking to slow down and retire.

CENTRAL NEW JERSEY Solo physician is looking to retire. Practice sees patients four days per week with a full schedule. Opportunity to purchase practice and have a ready made patient base. Consistent revenue stream and trained staff.

SOUTHWEST TENNESSEE Established practice with two locations. Leading provider in semi rural market. Full range of services. Turn key operation. Limited competition in the area. Provider seeking to exit private practice.

CHICAGO SOUTHSIDE Part time practice for sale. Turn key operation with consistent patient volume. Equipped with digital xray and ultrasound. Opportunity to grow. Option to purchase real estate as well. Priced to sell.

KANSAS CITY, MISSOURI Thriving practice located on hospital campus with strong referrals and loyal patient base. Fully equipped and turnkey setup. Priced to sell below appraisal! Open Monday to Thursday but plenty of

patients for a five day work week. Kansas City has a low cost of living.  
Bank contact and realtor available to help facilitate purchase.
